ETERNAL MARTIAL ARTS NEWSLETTER

Congratulations EMA Students!

We want to congratulate all of our students who tested for their new belts. Job well done! We want you to feel great about your accomplishment, but remain humble as you learn your new skills this session. Our best recommendation is to learn those patterns early.

We would also like to recognize some really terrific students who have made a commitment to achieving their Black Belt by joining our Black Belt Club team. They always come to class with a great attitude and a high effort level. We know that you will make top-notch Black Belts as you are already great students. Congratulations and welcome: **Ishaan Chintalapati, Caylee Colson, Sophia Swain, Audrey Weirauch, Ava Weirauch, Kofi Apasu, Ocean Wallace, Drew Defrancesco, Andrew Nguyen, and Aiden Nasser.**
